50 Dollars Reward.
On the 24th of Oct. last a young man
came to my house and hired a horse
from me to go a few miles, and to return
the next day, since which I have heard no-
thing of him except that he was seen on
such a horse beyond Petersburg on the
southern road. His father is said to re-
side in Mecklenburg. The young man
is named GREEN SCOTT; he is about
five feet eight inches high, spare and light-
ly built, and when he hired my horse he
was very genteelly dressed. This Scott is
by trade a Taylor and served his time in
Petersburg. The horse is a bright bay,
switch tail and main, trots, paces and can-
ters well, and is a well formed horse; his
left fore foot is as well as I remember
white, and I do not recollect any other dis-
tinguishing marks. I will give the above
reward for the apprehension of the man
and horse, on receiving my horse and hav-
ing the fellow in custody of the law for
this act; or I will give twenty five dollars
for the horse alone, upon the horse being
delivered to me in Richmond.

WRANGLER,
IMPORTED LAST SUMMER FROM ENGLAND.

THIS horse so justly celebrated for his beauty,
size, blood and performance, it is believed, is not
surpassed by any horse ever imported into Ame-
rica. He is a fine bay and only eight years old
in spring, and WILL STAND at my stable in
Prince-Edward, eight miles from the courthouse,
to cover mares at TWENTY FIVE DOLLARS
the season, FIVE of which will be remitted, if
paid by the 10th of August, when the season will
expire; FORTY DOLLARS to insure a mare,
payable immediately if the mare is parted with.
God & extensive pasturage, properly divided into
separate strong enclosures, grain; and mares may
be fed with grain at a reasonable price. No liab-
ility for escapes or accidents of any kind; but
great care will be taken to prevent both. The
groom will expect half a dollar with each mare.
B L O O D.
He was bred by Sir Thomas Charles Banbury,
and was got by Old Blom, his dam Sir Charles
Sedley's famous mare Fleacatcher, by Goldfinder,
grand dam by Squirrel, great grand dam by Bell,
bro her to Blaze, great grand dam by Lath,
out of a full sister to Snip, she was got by Chil-
ders, out of the old Basto mare sister to Sorrels.
Let it be recollected that Fleacatcher, the dam of
Wrangler, was decidedly the best mare of her day;
she is the grand dam of Col. Noon's Lady
Bull.

PERFORMANCE.
WRANGLER, at 3 years old, won 5 sweep-
stakes at Alfriston, in Sussex, beating Mr. Du-
rand's Johnny, Prosperine, Snake and others. He
won a match for 100 guineas a side, beating Lord
Egremour's Bugle; and he also won the town plate
beating Rose, &c.
At 4 years old, Wrangler won at New-Market
second spring meeting, a sweepstake of 800 gu-
ineas, beating Centine, Deplorable, Equivoque, Pin-
stow and Cumbercup; and at Brighthelmston, a
sweepstake of 300 guineas, beating Bug, a and
Jouquill, and was second to Magic for the Pet-
worth stakes, beating Bennington, Johnny, Play
or Pay, Montezuma, &c. He won at Bedford,
four mile heats, free for all ages; he beat Reloc-
tance, a match; and he won a plate at New-Mar-
ket, in the Houghton meeting, beating Fidget, Ben-
nington, Humbug, Oatlands, Hornpipe, &c.
At 5 years old, for the Ladies Plate at Lewes,
he beat Magic, Galianman, Wooley, Brother to
Waxey; he won a plate at Bedford, at four mile
heats, winning the second and fourth heats, and
won a plate at Egham; and he also won a sweep-
stake at New-Market, beating Lady Bull, Spio-
liator, Speculator, Philbert, &c.
At 6 years old, for the great Oatlands stakes,
he beat Telegraph, Antrim, Vandal, Hornbylase,
and Stamford. At New-Market this spring meet-
ing, he won a plate, beating Paynter and Roaster;
he also won a sweepstake of 25 guineas each,
giving six pounds and the year to Paynter, beat-
ing at the same time Expedition and Roaster. In
the month of August, 1800, he was purchased by
Col. O'Kelly, who won two matches with him for
50 guineas each, beating Greyhound.
At 7 years old he beat Jack Andrews a match
3 miles and a half, over New-Market for 100 gu-
ineas; he also beat Hornbylase across the Bar for
50 guineas; he was next horse to Sir Harry, and
beat the Prince of Wales's C. by King Fergus,
and his C. by Muffi, Jack Chance and Paulo. He
had occasionally run restive; about this time his
disposition increased, and he could be broken;
and he was purchased to be brought to Virginia. He
is in high health and vigor, not a blemish about
him, and his limbs as clean as those of a colt; but
his best recommendation will be a view of him.

100 Dollars Reward,
For apprehending and securing THOMAS ME-
RIDITH, alias AARON WINGAT, master of
Schooner Yacht of Vienna, Maryland, burthen
37 5-95ths tons. The said Schooner was loaded
with wheat by James D. Ladd & Co from Chicka-
homany river about the 20th of December, and
bound to the Brig Three Sisters, Capt. Thomp-
son, at West Point, York river, where he arrived
on the 10th instant, waited two or three days and
without discharging any of his cargo, or giving
any notice of his departure, went out where to Lum
at a loss to imagine, but as himself and vessel is
well known in most of the adjacent ports, I am
inclined to think he will make for the Carolinas.—
The said Thomas Meridith is about 27 or 28 years
of age, well made, has short black hair, is about
5 feet 6 or 8 inches high, and much pitted with
the small pox, had two of my hands on board as
sailors; one named OLIVER, a very black well
set fellow, aged 21 years, about 5 feet 5 or 6 in-
ches high; and the other named ISAAC, of a bright
complexion, aged 18 years, nearly of the same
height of Oliver, his hair grows uncommonly low
in his forehead, nearly to the eye-brows.—I will
give the above reward for apprehending and se-
curing the said Meridith, vessel, cargo and boys,
or in proportion for any part—and if brought to
me all reasonable expenses paid by
JOH SLACUM, of
Dorchester County, Maryland.

PETERSBURG CHURCH LOTTERY.
The following is the Scheme of the above Lot-
tery, by which it may be seen, that beside the
TEN THOUSAND DOLLAR PRIZE, there are others
the acquisition of which could make a poor man's
heart leap for joy—and the more wealthy feel ex-
tremely pleased.
Scheme of a Lottery,
Authorised by an act of the General Assembly of
Virginia, passed the 20th day of December, 1790,
authorising the undersigned Trustees to raise a
sum of money to be applied towards paying the
expense of building a Church in the town of Pe-
tersburg:
1 Prize of 10,000 Dollars is 10,000

Last drawn number, exclusive of the prize 2,000
which may be drawn to the No. 40,000
1070 Prizes. 40,000
5330 Blanks.
5000 Tickets, at eight dolls. each, is 40,000
The fortunate adventurers in the above lottery,
shall receive the money to which they may be en-
titled, in thirty days after the drawing is closed,
subject, however, to a discount of 12 1-2 per cen-
tum, which will be applied towards defraying the
expense of building the Church, and the expenses
that may be incurred in conducting the lottery.
Prizes not demanded in six months after the draw-
ing is finished, will be considered as relinquished
for the benefit of the building. Purchasers of
one hundred tickets and upwards, will be allowed
a liberal abatement. The drawing will be com-
menced on the first day of April next, or sooner,
if the tickets are disposed of. The equality of
chance afforded by this scheme in not having two
blanks to a prize, the small discount retained from
the fortunate adventurer, the purpose for which
the lottery is established, and there being more
capital prizes in this than in any other lottery in
the southern states, warrant a conclusion, that an
immediate sale of the tickets will be effected.

Richmond Mills.
THE subscriber hereby informs the public, that
at length after much trouble and expense, he
has nearly completed one of his Mills on the James
River Canal, in which there is two pair of Burr
Stones for Manufacturing Wheat, and two pair
of Cologne Stones now ready to grind Corn.
That the inconveniences which might arise
from delay and difference of measures may be a-
voided, Corn will be received only by weight, at
fifty pounds to the bushel, and a supply of Meal
and Hominy will always be kept ready to give
in Exchange at the rate of eighty-five pounds of
meal or ninety-two pounds of hominy for one hun-
dred pounds of corn.
After the loss of weight by cleaning and e-
vaporation in grinding is deduced, the toll on meal
will be only about one tenth, and on hominy one
twentieth, it will therefore be much the interest of
those who keep horses to have all their corn
ground.
As the subscriber is now providing a Fan and
Screen for the purpose of cleaning the corn effec-
tually before it is ground, and as the meal will be
made from the best corn only, and none but such
as is merchantable will be received, he hopes that
general satisfaction will be given.

to make payment as fast as possible, as their sit-

gence as heretofore.
